Worksheet 3T.1: Preparing a Future Vision (http://misadocuments.info/3T.1FutureVision.pdf)

PREPARING A FUTURE VISION

Choose a timeframe of one, five, 10 years or more. Next, develop a description of your business and personal future. What will your farm or business look like during transition and after certification? How about the next five or 10 years? Or, if you prefer, write a story or draw a map. Dream a little!
