

2019 Minnesota Vineyard Tours and Workshops

The grape team at the University of Minnesota is pairing up with vineyards throughout the state to offer several free vineyard tours and workshops throughout 2019-2020. We look forward to seeing you at the following events this season!

Thursday, May 30: Managing and Troubleshooting Young Grapevines

Location: The Winery at Sovereign Estate, Waconia, MN.

Time: 4:00pm - 6:30pm

Topics: Training up and tying young vines, planting technique, trellis design, first and second year disease & weed mgmt

Saturday, June 8: Canopy Management Techniques and Sustainable Pest Control

Location: Smiley Vineyard, Cannon Falls, MN

When: Saturday, June 8, 9:00am - 11:30pm

Topics: Shoot thinning, optimizing canopy density, proper vine tying, foliar nutrient testing

Early August (date TBD): Monitoring and Ensuring Grape Quality

Location: Carlos Creek Winery, Alexandria, MN

Topics: Monitoring ripeness, estimating yields, improving crop quality, late season disease/pest mgmt

Please register here: z.umn.edu/VineyardFieldDays

These events are **free**, thanks to a SARE Partnership grant. To help us and our hosts plan, please RSVP at least 3 days in advance. For more information, email Annie Klodd at kloddann@umn.edu
