

“Blazing Trails” Food Regulations Training coming to Itasca County

Date: August 8th, 2019

Time: 1p – 5p

Location: UMN NCROC Conference Rm
1861 Hwy 169
Grand Rapids, MN

What is “Blazing Trails”?

A half-day training workshop to make sure the entire state has access to information and resources about how to navigate food regulations that pertain to local food, in order to help individual food entrepreneurs and local food systems move forward.

Minnesota
Institute for
Sustainable
Agriculture

"Blazing Trails" is a project of the [Minnesota Institute for Sustainable Agriculture](#), [Renewing the Countryside](#), and the [Minnesota Farmers' Market Association](#). It is funded through a Professional Development Program grant from North Central Region Sustainable Agriculture Research and Education ([NCR-SARE](#).)
