

Ideas from farmers & food entrepreneurs

Standard, open
process for
appealing
inspectors' decisions

Ideas from farmers & food entrepreneurs

Culture that allows
changes to decisions
without inspectors
feeling undercut

Ideas from farmers & food entrepreneurs

Consistency in
interpretation of
regulations

Ideas from farmers & food entrepreneurs

Focus on operator
knowledge of food
safety

Ideas from farmers & food entrepreneurs

Communication of
regulations is more
important than the
regs themselves

Ideas from farmers & food entrepreneurs

Continuing ed for
inspectors & regulatory
leadership: tour
facilities doing it right
