

NO-TILL COVER CROP DEMONSTRATION FIELD DAY

AUGUST 30, 2016 | STARTING AT 1:00 P.M.

CHAD ROLLOFSON FARM, 3.5 MILES EAST OF BARRETT, MN ON COUNTY ROAD 2

Chad has ten plots each slightly over an acre in size. Four of the plots are in a tilled corn-soybean rotation. The other six plots are in a no-till wheat-corn-soybean rotation with cover cropping.

SPEAKERS WILL INCLUDE:

- **Chad Rollofson**
- **Jodi DeJong-Hughes**,
University of MN Regional Extension Educator
Topic: "Soil is not a dirty word"
- **Jane Johnson**,
USDA Ag Research Station
Topic: "Cover Crops—protecting the thin layer that stands between us and starvation"
- **Drew Mosburg**,
Natural Resources Conservation Service
Topic: "Why we don't have an erosion problem—we have an infiltration problem"

DRONE DEMONSTRATION

REFRESHMENTS WILL BE SERVED | CONTACT CHAD ROLLOFSON FOR MORE INFO 320.815.5246

This field day is sponsored by Grant Soil & Water Conservation District and is part of the Minnesota Department of Agriculture's Sustainable Agriculture Grant Program.
