

Blazing Trails

through the Jungle of Food Regulations

Monday May 13th from 12pm to 4pm

At the Clair Nelson Community Center in Finland, MN

Training led by:
Jane Grimsbo Jewett
Associate Director
MN Institute for
Sustainable Agriculture

Do you grow food?

Do you raise animals?

Would you like to sell the food you produce to the public? This free training will help to clear a way through the confusing world of food regulation and help you understand the requirements for producing food for sale and public consumption.
