

Northland Organic Foods Corp

Corn: yellow, Soybeans: tofu grade/other, Oats, Rye
Wheat: HRS/winter/white, Spelt

● ○ ○ ○ ● ○

We require JAS certification for many food grade soybeans and HRSW, SWW, but not all. We also purchase JAS Equivalent, EU and NOP products. Be prepared to provide certification documents, crop information including variety, bushels available, crop inputs, and target price. Samples required before purchasing.

OFARM

Barley, Buckwheat, Corn: yellow, Flax,
Soybeans: tofu grade/other, Oats, Wheat: HRS/winter/white,
Spelt, Organic livestock

● ○

OFARM is a marketing-agency-in-common incorporated as a cooperative in Minnesota. Currently 8 farmer cooperatives/associates are members. A farmer must be a member of one of the 8 farmer cooperatives/associations to be a member of OFARM. They must be certified organic.
